Coffin & Casket Collection

Our range consists of the very highest quality coffins and caskets, produced by a team of highly skilled craftsmen and women. The range is hand built and made from both solid and veneered woods. As well as the traditionally styled coffins we have more modern, contemporary styled coffins including printed coffins using state of the art techniques to create a wonderful, visually stunning and memorable effect.

We also have a range of ecological, environmentally friendly coffins made from materials including Wicker, Bamboo, Bulrush and Seagrass.

LIFE ART HERITAGE OAK

Life Art's coffins and caskets are safer for the environment as they emit up to 87% less greenhouse gases when cremated and use up to 80% fewer trees.

The Heritage Timber coffins gives you peace of mind in the knowledge that you are respecting your loved one and the planet.

COLOURFUL

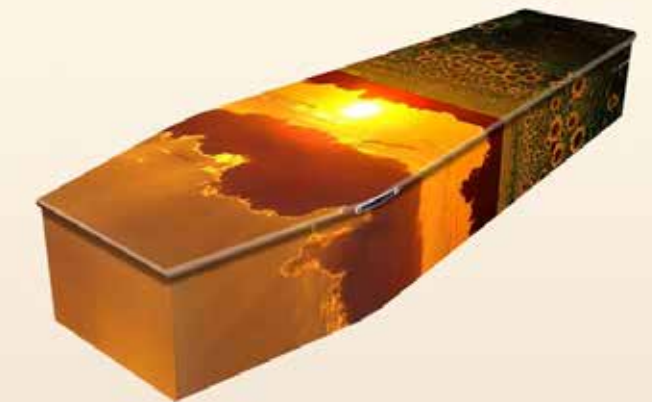

PICTURE COFFINS

Picture coffins are always a popular choice. Approved for burial and cremation and at most natural burial grounds, these are sourced from FSC-accredited companies using wood from sustainable sources. The designs are printed onto an environmentally-friendly paper wrap, which is then applied by hand to ensure the highest level of quality and craftsmanship.

“As individual as you” is our motto, and we believe that everyone should have the opportunity to choose one of our stunning Colourful Coffins® designs in sizes to fit all; The Big and Beautiful range of wooden picture coffins provides the perfect backdrop for our range of designs.

BESPOKE PICTURE COFFINS

On Colourful Coffins we have plenty of designs divided into different categories for families to choose from. In some cases, none of our designs are exactly what a family wants, so we can come with a completely bespoke design based on any requirements.

WOODEN AMERICAN CASKETS

WOODEN AMERICAN CASKET

The Classic Collection features caskets crafted from solid Poplar, that are known for their versatility and beautiful grain patterns. The beauty of the wood is complimented by warm interiors in a range of styles and fabrics.

Classic and timeless designs providing a comforting and serene aesthetic that adds to the peaceful atmosphere of any funeral or memorial service.

Our wood caskets are proudly made at our family-owned plant in Victoriaville, Quebec where we've been making caskets since 1948. These caskets are dual-deposition, meaning that they can be chosen either for burial or cremation.

The Premier Collection features caskets that are crafted from solid Oak. Each casket is carefully constructed using high-quality hardwoods sourced from sustainable forests, ensuring both durability and environmental responsibility.

The distinct grains and warm tones of these North American-made hardwoods add a touch of natural beauty to the caskets, creating a sense of warmth, serenity, and peace. These beautiful hardwoods are complemented by a selection of carefully selected interiors in fabrics. A premium tribute to a life well lived.

The Prestige Collection features North American made hardwood caskets meticulously crafted by skilled artisans using the finest solid hardwoods including Mahogany, and Cherry. These woods are known for their strength and are often chosen for their elegance, warmth, and natural beauty.

Meticulous attention is paid to every detail, from the seamless joinery to the beautifully finished surfaces and the plush interiors, resulting in a final product that exudes sophistication and reverence. Each of these caskets is considered a work of art and provides a dignified and lasting tribute to the memory of a loved one.
